

Anthony Breslin – Trybe

November 16 – December 8

St Kilda's Anthony Breslin will be taking over Docklands with an exhibition of his static work at Victoria Gallery and an outdoor performance.

Anthony Breslin is performing Trybe over two nights at NewQuay, as part of the precinct's Where Art Lives program. Described as a goliath outdoor paint opera extravaganza, this performance will see paint-laden bodies slip and slide over his giant canvas and will embrace painting, movement, dance, mime and music; ultimately creating a mammoth tribal face.
